THE TOWN RECORD

By MONTE DAYTON

Texans ability to do things up in a big way is legend.

I. C. BROWNLEE of Lubbock in the Lone Star State visited Daly City recently and gave credence to this idea.

He came here in February to witness the graduation of his granddaughter, PATRICIA BRYANT, from Jefferson high.

While here he learned of her impending marriage.

So he waited out his stay, and took in the nuptials last Friday, which is a Texan's way of doing a visit up right.

Killjoys: A sizzling smoker was all set to be held in Colma this week, when the ill-timed arrival of sheriff's officers put the quietus on the thing.

The coppers just stood there waiting for the show to begin, but the shakes and shimmies never started, and the disappointed crowd straggled on home, perturbed by the enthusiasm of the sheriff's deputies.

PADDY COTTRELL, New York Yankee Scout who does his prospect sleuthing from Daly City, was in the other day to say a bit about the PCL prospectus for this year.

He tabs the LA Angels to repeat, and adds a solemn note that, "The opening of the Pacific Coast league may be the beginning of the beginning of the beginning of the end so far as minor league west coast baseball is concerned."

Promotion department: Gateway Chevvie co. of Daly City spreads their advertising campaign over a wide market.

They've got a 2 x 6 ad running in the Nippon Times, Japan.

GEORGE AUGUSTEIN, venerable DC cop and guardian of the kids crossing Mission street is on the sick list. No word as to when he'll be back at his familiar station by the community center.

Some bad feeling is being kindled by the League for Better Schools, which has picked six candidates as qualified for trusteeships in the Jeff elementary school district.

MERRITT BECKERMAN of Broadmoor, one of the original 26 on a list of possible candidates considered by the league before it was sifted down to six, said he never intended to be a candidate and did not attend the meeting at which the candidates were screened.

Sorry, we're just reporting the

LEWKOWITZ FILES FOR JEFF SCHOOL BOARD

Joseph R. Lewkowitz, 45-year-old gas station operator, yesterday (Thursday) became the third person to make his bid for a position on the Jefferson Elementary School district board of trustees.

There are now three persons who have declared their intention to run for one of the three positions open. The other two candidates are Guido De Ghetaldi and D. C. Gensel.

Trustee Andrew Van Der Werff's term is the only one expiring, and he has made no statement yet as to plans for re-election. The two other trustee positions to come up for vote May 21 were created by a state ruling requiring five-member school boards. The local elementary board has been composed of three trustees.

Lewkowitz, who lives at 501 Vista Grande avenue with his wife and seven children, said he would run on a platform of equal treatment for all areas in the district, speeding up school building projects, and doing away with politics in the schools.

The service station proprietor was one of 23 persons mentioned earlier by the newly-formed League for Better Schools as a possible candidate.

However, the list of possible candidates was later screened down to six, and Lewkowitz' name was not included.

He said, however, that his intention to run was in no way affected by his not being included as one of the League's candidates.

Meanwhile, Monday night the six persons selected by the league as "qualified candidates" announced their intention to file for elementary district trustee positions. They voiced their intentions at a League committee meeting held Monday night.

The six who said they would file are: Mrs. Katherine Mullen, Roy Arneson, Harold Brown, Guido de Ghetaldi, Dr. C. Henry Kempe and Henry Kraus.

In the Jefferson high school board of trustees race, incumbents Ray Whitney and Lyal Ingersoll have filed for re-election. No other persons have filed to date. There will be two seats to fill on the high school board.

Deadline for filing is April 21, while the election will be held May 21.

VISTA GRAND SCHOOL IS STILL STALEMATED

Acquisition of land for the proposed Vista Grande elementary school, to be located at Wyandotte, Thiers and Lausanne streets, went into its ninth month of deadlock this week as the lone holdout, Stephen Capurro, 151 Wyandotte, refused to sell his property.

H. Z. Weibel, superintendent of the Jefferson Elementary school district, said that the district attorney's office was negotiating with Capurro this week to purchase the property for the district.

To date nine parcels of land have been purchased for the school site, at a cost of $65,000. Negotiations for purchase of Capurro's land began last Augsut and have been stalemated ever since.

Capurro is asking an undisclosed sum much above the figure thought adequate by the school district, according to Weibel.

Plans on the project are already in progress and are being drawn up by Architect Mario J. Ciampi.

Weibel estimated that it would be from six to eight months before construction could begin on the school, even if Capurro comes to agreement with the district on the price.

After the final plans are readied, they still must be submitted to the state division fo architecture for approval.

The school will accommodate classes from kindergarten to the fourth grade, and is expected to house a total of 230 children. There will be one kindergarten room and six classrooms.

WAITRESS THWARTED IN SUICIDE ATTEMPT

Mrs. Marie Hobson, attractive waitress, was placed under a 72 hour police hold Saturday after she was thwarted in what police feel to have been a half-hearted attempt at suicide.

Mrs. Hobson, 34, of 37 Abbot street phoned Miss Caffey of the Pacific Tel. & Tel. Co. at about 8 p.m. and told her that she was going to attempt suicide. Miss Caffey phoned the Daly City police and Officer Van Otten went to the Abbot street address.

Officer Van Otten reported that no one answered his demand to be allowed entrance. By looking through the mail box slit in the garage door Van Otten saw Mrs. Hobson step into a car with a four-foot garden hose attached to the exhaust. Van Otten entered the house through the unlocked front door and found Mrs. Hobson attempting to breathe carbon monoxide.

POLICE STILL SEEK MASKED MOVIE BANDIT

Police are still seeking the masked bandit who held up the manager and cashier of the Mission Drive-In theatre Sunday night.

According to Inspector Frank Marlow of the San Mateo county sheriff's office, one suspect has been completely cleared of any connection with the crime which netted the robber $36 in silver and $10 contained in the wallet of Robert Beers, 110 Lawton st.

Beers and Miss Patricia Franks, 55 Thirtieth street, both of San Francisco, told police that the bandit approached them just as they completed locking up the week-end receipts in a safe.

Your Biggest Say

The time of year has again arrived when John Q. Citizen has his biggest say in the government of his community.

Tuesday Daly City's voters will go to the polls to name three councilmen to serve for the coming four years.

During the tenure of any council, there is always more than a little mumbling and grumbling about the efficiency of the administration.

We feel that segment of the citizenry that goes to the polls and marks their preference on the ballot has a legitimate right to squawk about government—it's their government. But the balance of the people who stay at home are placing a stamp of approval on mediocre government.

We're not espousing any of the eight candidates who come up for election Tuesday. We feel that is the duty of the community as a whole.

Go to the polls Tuesday and take advantage of your democratic privilege to name your leaders!

SET DEDICATION FOR DALY CITY INDEPENDENT PO

Broadmoor Man Seeks Postmaster Position

Dedication of Daly City's independent post office has been scheduled for April 21, day after the official establishing of the office here, it was learned this week.

Local Chamber of Commerce officials will be in charge of arrangements for the ceremony. Congressman J. Arthur Younger will be on hand for the dedication in addition to many local civic officials.

No new information was given this week on how the transfer of the post office from a San Francisco branch to an independent operation would be made.

A spokesman for Congressman Younger said he had no idea as yet who would be appointed act-

NO WORRIES FOR TOWN OF COLMA IN TUESDAY VOTE

In direct contrast to Daly City's political hubub, the town of Colma will carry off a sedate election Tuesday, with the results already decided.

Those on the ballot are: Ray Ottoboni, Al Lagomarsino, incumbents, for council; Gilbert Parker, incumbent, for treasurer; and Ed Weisenburger, incumbent, for city clerk.

One precinct will be open, located at the town hall, Jewel avenue and El Camino Real.

Four election officials will handle the turnout, which is estimated at about 50, out of a total of 152 registered voters.

Polls will be open from 8 a.m. to 6 p.m.

Children To Hunt 1000 Eggs During Hunt On Thursday

The seventh annual Easter egg hunt, sponsored by the Daly City Recreation department, for local children under 12 years of age, will be held on Thursday, April 15.

Children in this area will report to the hunt in four separate groupings. Children living south of the top of the hill and from two to eight years old will report to the lower level of Marchbank park at 10 a.m. Children from nine to 12 years old, living in the same area will report to the top of Gambetta street at 2 p.m. Children living north of the top of the hill will report as follows: Children two to eight years old will report to Frankfort street between Templeton avenue and Oliver street at 10 a.m. Children nine to 12 years old will report to Frankfort street between Templeton avenue and Oliver street at 2 p.m.

Special prizes will be given to the finders of some 270 special eggs which will be marked with the word "prize." 1000 eggs will be distributed in the areas.

The hunt is sponsored by the Daly City Recreation department, James R. Mason recreation director and Edward Mosconi, recreation supervisor, with the cooperation of the Daly City Recreation commission, Colma PTA, Crocker PTA, General Pershing PTA, Hillside PTA, the OLPH Mothers' Club, Woodrow Wilson PTA, the Holy Angels Mothers' Club, Daly City Women'c Civic club and the Daly City-Colma Boy and Girl Scouts.

Record Number Are Eligible To Cast Vote

A record number of 10,548 Daly City residents will be eligible to vote Tuesday in the municipal election to name three councilmen to serve for four year terms.

Included on the ballot will be the three incumbents, Paul Green, James Kennedy, and Anthony J. Gaggero, who are running on a ticket; two independents, Sanford G. Vickers and Owen D. English; and another ticket consisting of Del C. Wilson, John B. Drye, and Micheal De Bernardi.

Voting will be held at a total of 19 precincts and polls will be open from 7 a.m. to 7 p.m.

Besides the incumbents, two of the candidates have previously run for the Daly City council. They are Wilson, a real estate appraiser, and De Bernardi, a grocery clerk.

It will mark the first that Vickers, English and Drye have ever run for a public office.

Vickers is a locomotive engineer, English is a welder, while Drye is a bread salesman.

With the exception of Green, Drye is the only candidate who resides in the Westlake subdivision.

Of the eight candidates, only three have the backing of labor, but the remaining candidates have all declared a large list of local sponsors and endorsers.

Drye, De Bernardi and Vickers received the endorsement of the Labor League for Political Education last week.

The 10,548 voters registered for the election sets an all-time high for Daly City. At the last municipal election, 1952, 8107 persons were eligible to cast their ballots. Of this total, only 3000 went to the polls.

Turnout Tuesday is expected to be somewhere under 5000, about half of those registered.

Following is a list of voting precincts:

Precinct A—recreation center, 337 Bellevue avenue.

Precinct B—Yonan residence, 196 Irvington street.

Precinct C—Co. 4 firehouse, Peoria at Roosevelt streets.

Precinct D—Moore residence, 335 Irvington street.

Precinct E—Dormoy residence, 40 Misison Circle.

Precinct F — Marsicano residence, 279 Hillcrest drive.

Precinct G — Hanson Garage, 255 Vista Grande avenue.

Precinct H — Company No. 2 firehouse, 499 Santa Barbara ave.

Precinct I — Pearlman residence, 336 Miriam street.

Precinct J — Ladies Home club, 23 Werner avenue.

Precinct K — Huber residence, 101 Valley street.

Precinct L — McGeein residence, 567 Hillside blvd.

Precinct M — War Memorial Community Center, Hillside blvd. and Alp.

Precinct N — Westlake school, Fieldcrest dr. and Westlawn ave.

Precinct O—Nichols residence, 77 Cliffside drive.

Precinct P — Westlake Rental office, 301 So. Mayfair avenue.

Precinct Q — Kemp residence, 19 Windsor drive.

Precinct R — Mann residence, 11 Eastgate drive.

Precinct S—Madigan residence, 72 Elmwood drive.

TONSILLECTOMIES -- A DOZEN AT ONE TIME FOR THE PRICES

EXCITED about their forthcoming trip to Mt. Zion hospital, the six children of Mr. and Mrs. John H. Price, 611 F St., Colma, posed for THE RECORD photographer last week. The sextette entered the hospital yesterday to have their tonsils and adenoids removed today (Friday). The youngsters, who represent four local schools are left to right: Harry, 15, Jefferson High school; Reed, 13, Colma; Darlene, 11, and Tibby 8, Jefferson elementary; Tommy, 6, Thornton elementary and Betty, 3. The Price family feel they must be setting a record of some type as Life Magazine once carried a feature picture in which a family's five children entered the hospital at the same time. Price is superintendent of the Olivet cemetary.

TRAPPED TWO DAYS

WOMAN DIES AFTER STAIR FALL

Filomena Stampanoni, 82-year-old Colma woman, died at noon yesterday at Junipero Serra hospital as a result of injuries suffered after lying unconscious nearly two days at the foot of a staircase in her home.

Doctors attributed direct cause of death to a cerebral hemorrhage. She passed away at 11:55 a.m., after hovering near death for four days at the hospital.

The woman was found by Broadmoor police Sunday at her home at 5 San Pedro road. They said her head was wedged between a door and the staircase inside the home.

Broadmoor officers said they believed she had lain unconscious at the foot of the steps for nearly two days.

The police found her at 3:40 Sunday afternoon, after a neighbor who had come to visit the woman looked through the window and saw her lying on the floor, then summoned the department.

Theory that the woman had been in an unconsious state at the foot of the stairs for two days was based on the fact that there were two quarts of milk at the doorway. Chief Ray Savage said the woman had probably suffered a stroke on Saturday morning when coming down the stairs to get a quart of milk.

Broadmoor officers Harry Brown, George Carleton and Chief Ray Savage had to enter the home via the back door, since forcing the front door open might have injured the woman further.

She was rushed immediately to Junipero Serra hospital, but remained in a critical condition all week.

Funeral services are pending.

Sno-Man Clerk Is Threatened By Would-be Bandit

Broadmoor police have released the only suspect picked up thus far in connection with the attempted robbery staged Wednesday night at 10 p.m. at the Sno-Man, 7199 Mission street.

The suspect was released after Mrs. Minnie Booth, victim, failed to identify him as the man who threatened her with a gun and then fled.

Mrs. Booth was closing the store when a man described by her as dark, possibly of Spanish extract-

On Friday evening, April 30, a short program of music and a demonstration of modern dancing will be given in the auditorium at 7:45 p.m. Following this program a short schedule of classes will be run and the visitors will be given an opportunity to see the school at work.

STOLEN MONEY JUST MISPLACED

Slightly embarrassed, but happy to still have his money, Louis Nannini, 330 A street, Colma, recently reported to Daly City police that his "stolen" money was just misplaced.

Nannini, chief of Colma's volunteer fire department reported on Sunday that $850 had been taken from his service station, 7200 Mission street, while he filled the gas tank of a customer.

ing postmaster. According to John F. Fixa, San Francisco postmaster, the recommendation for an acting postmaster would probably be made by Younger.

However, there were two new developments in the Daly City post office situation.

THE RECORD learned that Vince Murphy of Broadmoor, mail carrier who works out of the San Francisco Rincon Annex, has made application to the postal department for the position of postmaster here.

To date, he is the only applicant who has formally applied for the $5970 a year job.

Also revealed this week was the fact that Henry Doelger, builder, will seek a branch office of the post office for his Westlake subdivision.

He has proposed this measure to the post office department.

ion, about 27 years old, approached the Mission street window of the ice cream shop. According to Mrs. Booth's report he pulled back his black sports coat and displayed a gun carried in his belt and said, "Give me all your change."

Mrs. Booth said he demanded the change twice but she was too stunned to move on either occasion. When she failed to hand over the money the would-be bandit fled.

MOTHERS' CLUB TO HOLD ANNUAL EASTER PARTY

The Ocean View Mothers' Club will have its annual Easter party on Thursday, April 15, Ocean View Recreation Center, Capitol and Montana streets.

Miss Nellie Maraudian, the Center's director, will direct a children's play starting at 2 p.m. After the play the Easter Bunny will come with presents.

SERVICES FOR RAE BEHRENS

Funeral services for Rae Griswold Behrens, wife of Earl C. Behrens, political editor of The Chronicle, were held today (Friday) at 10 a.m. at N. Gray & Co. in San Francisco. Interment was private.

Mrs. Behrens, a native of Elko, Nav., was the sister of the late governor Morley Griswold, and was a graduate of the University of Nevada, active in the Order of the Eastern Star and a member of the Episcopal church.

She and Mr. Behrens were longtime friends of the late John William Marchbanks, pioneer Daly City resident and benefactor of the community.

Mrs. Behrens died unexpectedly Tuesday at their home, 1926 16th avenue. Although seriously ill, she was believed to have been in good health recently.

Mr. Behrens is a nationally renowned poltical expert and journalist and is a three-time former president of the San Francisco Press club. He currently is president of the Capitol Correspondents association in Sacramento.

In addition to her husband, Mrs. Behrens is survived by a son, Chuncey Griswold, a graduate of the Stanford Medical school, who is an intern at San Francisco hospital, and a brother, Gordon Griswold of Elko.

OBITUARIES

Kurt H. Gehrmann

Final rites were held today from the mortuary of W. C. Lasswell & Co. for Kurt H. Gehrmann, 43, a long-time resident of 96 W. Cavour, who died Wednesday in Berkeley.

He was the husband of Josephine Gehrmann and brother of Adolph, Walter and Ernest Gehrmann, Mrs. Johanna Dillon, Mrs. Gertrude Riggs, Mrs. Martha MacCoullough, Mrs. Anna McKenna and Mrs. Helen Regdelia.

The deceased was a member of the Independent Order of Foresters, No. 10, and the Ornamental Iron Workers Union, No. 472.

Rosary was recited last night (Thursday) at 8 p.m.

Following requiem high mass at 9:15 a.m. this morning at Holy Angels church in Colma, interment was held at Golden Gate National cemetery.

Stephen V. Valko

Funeral services have been set tomorrow (Saturday) at 10:30 a.m. for Stephen V. Valko of 56-A Goethe street who passed away here Wednesday at the age of 47.

He is survived by his widow, Isabelle J. Valko, four sisters, Mrs. Ann Putkey, Mrs. Joseph Dratter, Mrs. Katie Ritz, Julia Valko, and one brother, John Valko.

He was a member of the Marine Firemen's Oiler and Wipers Union, AFofL.

Arrangements are being handled by W. C. Lasswell & Co.

Nelly Ragone

Requiem mass was celebrated for Mrs. Nelly Ragone in Our Lady of Perpetual Help church on April 2 at 9 a.m.

Mrs. Ragone died in her home on March 31.

She is survived by her husband, Vito, a son, Fred Needles and her mother, Mrs. Isabel Erickson.

Interment was in the Holy Cross cemetery.

Jacob Krehl

The body of Jacob Krehl, 217 First avenue, was shipped to Amboy, Ill. last week for interment and funeral rites.

Krehl died here on March 31. He was retired from the Illinois Central Railway.

Survivors are George and Walter Krehl, brothers of the deceased.

Guesippe Benedetti

Funeral services were held yesterday (Thursday) for Guesippe Ditto Marsiale Benedetti, 18 Garibaldi street.

Benedetti, who died Monday, had been a resident of Daly City for 34 years. He was a native of Italy and was a member of the Italian Catholic Federation No. 50 of San Francisco. He was a retired gardener.

Benedetti was 85. He was the husband of the late Argia Benedetti. He is survived by a son, Gino V. Benedetti, two daughters, Mrs. Elide Marsili and Mrs. Marie Masini and nine grandchildren and five great grandchildren.

Funeral rites were conducted in the mortuary at Lasswell and Co. Requiem mass was celebrated in the Church of the Holy Angels. Interment was in Italian cemetery.

IN THE INTEREST OF GOOD GOVERNMENT

Because of the close contact with city government, through my position as Treasurer of the City of Daly City, I have had an opportunity to form a definite conclusion that a change of Administration is extremely important to the proper growth of our city.

I have made it a point to talk to many people, during this period of campaigning by the candidates, and found that there is a strong trend toward a change of Administration in our city affairs.

I feel that it is my civic duty, as it is the duty of all of us, to bring about this change. Our obligation as good citizens and also in the interest of our city's future development, it is imperative that we elect to public office men who will conduct the business of our city in a more equitable and business like manner than was conducted by the candidates seeking re-election.

The record of the incumbent candidates makes it apparent that they lost sight of the fact that their job was to represent the people of Daly City as a whole in a fair and impartial manner.

I shall vote with you, who believe that a change of Administration is urgently needed.

WHY Will I Cast My Vote For Sanford G. VICKERS?

In municipal government, men are needed who can think and act independently, for the general welfare of all the people, without catering to special interest groups. I believe Sanford G. Vickers is such a man. That's why I'm casting my vote for Vickers.

To the Editor,

All are in agreement that those we select to administer our city government should be characterized by dignity, fairness, integrity, respectability and by personal conduct which is a fitting example to others.

We also desire that our city administration be conducted in an honest, open, business-like, unbiased manner and with equal consideration to all, and to all parts of our city, to the end that it can truly be called a city administration, one which will merit confidence and respect of not only all the residents of our city, but also of people elsewhere, and which will cause our citizens to take honest pride in their local administration, and actively participate in the affairs of our city government, a situation which is practically non-existant at the present time and which is so sorely needed.

n view of the above is it any wonder that the thought upper most in the minds of the people is, it's time for a change.

RECREATION NEWS

By James Mason
Recreation Director

The Recreation department in its basic thinking has followed the line of thought that the set of the sails and not the gales should determine the course of action for its far-reaching objectives. We are dealing with the highest treasure in Daly City, the children of its citizens, and we are convinced that there can be no end to planning a well thought out program. The beginning stages of this planning depends upon the interdepartmental cooperation with other city agencies. The heads of all Daly City departments have gone overboard to help out in every way. We can't begin to describe our appreciation for this apparently inate quality that dwells within them. It may be best just to say that a smile from some child or a tear that isn't shed is their reward.

It is very self-apparent that the Park department is our nearest relation. For this reason it is essential that understanding exists between the two departmental heads. Without the parks the children have not a place to play and likewise without the Recreation department there is no planned program for them. Mr. August Conci, director of the Park department has cooperated with the Recreation department one-hundred per cent. We appreciate a person who has such a sincere interest in his line of work. Work to Mr. Conci is certainly not a hardship because he has a set goal in mind. The beautiful landscaping work at our War Memorial Building is an example of his determination to see a job through to the finish. Now that it is complete it is up to the personnel of both departments and the citizens of Daly City to see to it that the plants, trees and other marks of beauty in our parks are not destroyed. To elaborate further on this we appreciate any calls from any citizens who see willful destruction to any of our parks. Scheduling of watering and seeding as well as other necessary matters of this nature to secure a well knit program have worked with ease of peration becasue of joint cooperation between the two departments.

The work of the other department for recreation has been endless. The police and fire department extending personel to our many events, the street department setting up stages, the water department fixing fountains and sprinkler heads, the girls in the office wading through our poor attempt to write our requisitions so they can read them—all these factors add up to a spirit within the city government for your children.

LION TALES

By Joseph Belli Jr.

At the regular meeting on March 31 several Girl Scouts and Mrs. M. Antonio of Troop 148 of Daly City sold approximately 100 boxes of cookies to the Lions present.

The following Lions will attend the annual convention at Hoberg's on April 30-31, May 1-2: Walt Rector, Ira Neville, Joseph Belli Jr., Roy Arneson, Mel Battye, Ed Weisenburger, Arnold Panella, Harry Carusis, George Glass, Nate Temkin and Hal Willis. Next week this column will carry the daily activities at the convention.

Guest speaker for the April 14 meeting will be Michael Kerekes of the Emporium. His subject is "What's in Store for '54." Kerekes is a local boy, having graduated from Jefferson Union high school, class of 1938, where he won his Block J in football.

During the war he had an active tour of duty in Europe where he was highly decorated. Since his return from duty, he started to work for the "Big E" and has received promotions, so that he is now in charge of the downtown store men's department, with responsibility of buyer for that particular department.

Kerekes will bring some samples with him, and they will be distributed to the lucky winners at the end of his talk.

Inyo county had 193 farms in 1950, according to the U. S. Census of Agriculture of that year.

Safety News From Your Local Police

One Car Enough

It doesn't take a second car to make a fatal crash.

Authority for this statement comes from provisional statistics released by the California Highway Patrol which indicate that more than one-forth of all fatal accidents during 1953 were non-collision accidents. Of 2896 fatal accidents, 766 or 26.4 per cent, involved only one car.

Most common types of non-collision accidents are those that occur when a car goes out of control and overturns on a roadway or runs off the roadway.

Many factors figure in these non-collision accidents but errors of driving judgment are responsible in the vast majority of cases.

Common errors include traveling too fast for conditions, especially on strange roads, permitting distractions or obstructions to interfere when driving, continuing to drive when overtired or sleepy, overdriving headlights, and operating cars that are in unsafe mechanical condition.

The driver himself can control these conditions in the vast majority of cases.

Other types of non-collision accidents which contributed to last year's non-collision toll included occupants falling from motor vehicles, mechanical failures and wheels or other parts coming off the vehicle.

My Mad World

By Leonore Brewer

It has been a long time since we saw Bea Lillie and Clive Brook in a delightful bit of film nonsense entitled, "On Approval," but remembering a deliciously naughty Miss Lillie, we decided to join several hundred other enthusiasts and spend an evening with her and Reginald Gardiner.

This type of show, based principally on the abilities of one star and composed of bits and pieces from previous shows is a little off our usual beat, but we are happy to report that the shouting you hear as you walk by the Curran is amply justified.

With the exception of the complete madness of "References," with Miss Lillie as a zany maid, we enjoyed the second half of the program more than the first, particularly "Maude, You're Rotten to the Core" and "The Lesson with the Fan." For reasons obscure to all except followers of this column, the "singer" in "Come Into the Garden Maude" reminded us of Alfredo in "Traviata," and that raucous laugh you heard at his entrance was ours. However, though we have reached the point where we take our opera a little less seriously, ballet is still sacred, and we failed to see anything even remotely amusing in her "Drying Swan" burlesque.

Reginald Gardiner is the only person we have ever found who sees and hears in inanimate objects the depths of malevolence and cunning which many of them possess. Much has been written of his mimicking wallpaper, trains and shoes, but we wish we had gotten around to the subject of houses. We know of several whose look of ferocity always impells us to walk on the other side of the street.

A commedienne of Miss Lillie's caliber doesn't come by every week, and to use one of her own expressions, this will not be a show that "has the best intermissions."

Prominently displayed in the Curran's lobby is the announcement of the 1954 Civic Light Opera Season. It looks like the best ever, so don't forget—last year's season subscribers will receive the same seat locations this year, if their order is received prior to April 12. Not only will season subscribers receive first choice of seats for such well-known hits as "Brigadoon," "Porgy and Bess," "The King and I" and "Peter Pan," but at the present time seats for a brilliant post season event, "A Midsummer Night's Dream," are available only to regular season subscribers. This is an optional event in addition to the regular series, but is of such magnitude that no regular subscriber should fail to include an additional check to cover. More about the Civic Light Opera later.

Election Returns To Be Given By Battye-Panella On Tuesday

Up to the minute returns on Tuesday's election in Daly City will be given by the Battye-Panella insurance firm at 6253 Mission street, it was announced this week.

Mel Battye said that his firm would have five runners covering all precincts and that results would be available at his office from about 7 p.m. on, until all ballots were tabulated.

Precinct-by-precinct tally of the voting will be kept on a blackboard at the office and will be announced by loudspeaker, Battye said.

Battye and his partner, Arnold Panella, invited all citizens and candidates to drop by Tuesday evening to get the election results.

The Marine Exchange at San Francisco maintains lookout stations at the foot of Hyde street and at Point Lobos.

Registration For June Elections Closes April 15th

Daly City residents may register for the June primary election on April 12, 13, 14 or 15 until 9 p.m. at the Callan Realty company, 2790 Junipero Serra blvd., according to a bulletin from the office of County Clerk John A. Bruning.

"Register now if you are a new resident of the county or re-register if you have moved within the county if you desire to vote at the June primary election," warned Bruning. All registration ends April 15.

According to the law persons wishing to register must be 21 years of age or older, one year a resident in California and 90 days in San Mateo county prior to June 8.

POLICE STILL HUNTING FOR HIT-RUN CAR

Broadmoor police today are looking for a 1936 Dodge sedan which struck and caused extensive damage to the left rear of the automobile of John Aeillo, 36, of 3799 Stewart avenue.

The light cream-colored sedan struck Aeillo's car as it was parked at the curb before the Aeillo home on Monday night at 8:30 o'clock.

Ray Savage of the Broadmoor police department said that the car, which was traveling east on Stewart avenue at the time of the accident, will have fairly extensive damage to right front. It also will be missing a hub cap which was located by police at the scene of the accident.

Identification Of Policeman Named By Paula A Mystery

Ray Savage of the Broadmoor police department said yesterday that he still does not know the name of any Broadmoor officer who might be implicated by charges made in the testimony of Paula Winters, San Francisco call girl currently testifying before the grand jury in San Francisco.

Following the appearance of a story in the San Francisco Examiner yesterday morning stating that the girl had named names, Savage said he made phone inquiries but was unable to locate anyone who knew any names.

Miss Winters has charged, that a San Francisco policeman attempted to get her to work for him as a prostitute, that a San Mateo policeman located customers for her and that a Broadmoor policeman raped her.

Three Car Smash-up On Junipero Serra Ties Up Traffic

A three-car collision on Junipero Serra boulevard Monday morning tied up south-bound traffic, but no serious injuries resulted from the accident.

Involved in the smash-up were Charles William Hassel, 30, of 141 Park Plaza drive, Dwight Merriman Jr., 23, 125 Lunado Way, San Francisco, and Joseph Armanino, 29, Rt. 1, Box 390, Colma.

The accident took place two miles south of Broadmoor, and occurred when Armanino, southbound, attempted to make a left turn off the boulevard. His vehicle was hit by the car travelling behind him, driven by Merriman, who was in turn struck by Hassel's auto.

One lane of southbound traffic was tied up for a short time, but Broadmoor police came to the scene to help clear up the block.

One vehicle, that driven by Merriman, was nearly demolished.

None of the drivers were cited.

Council Campaign Continues

DENNIS, SCOTT GIVE VICKERS ENDORSEMENT

In addition to the backing of a large number of community-minded citizens representing all Daly City areas, Candidate Sanford G. Vickers this week received whole-hearted endorsement by two prominent labor officials.

Incumbent Councilman Edward J. Dennis, popular president of the local Milk Wagon Drivers Union, in announcing active support of Vickers, said, "He has the necessary qualifications to make a sincere, honest and progressive public servant with the ability to speak and act for his own conscience. The individual home owners and the small business people of Daly City supply the bulk of tax money for city government, thus individual thinking is needed more than ever." Dennis closed by saying, "The election of Vickers will definitely improve the morale of our government."

William G. Scott, legislative representative of the Golden Gate Lodge Brotherhood of Locomotive Firemen and Enginemen, also heartily endorsed Vickers this week. He said, in a letter to Vickers, "We are recommending your candidacy to our members. We feel you will continue your excellent record in working for the good of all the people in your community."

Gaggero Points To Daly City Low Cost Water System

Mayor A. J. Gaggero said today that Daly City's Municipal Water Department was one of the finest in California and stated that two new wells, a new pumping station and erection of a fourth reservoir would guarantee efficient, low cost water to the city's residents for years to come.

"Four years ago water revenue amounted to $115,000 per year," Gaggero said, "and estimated figures for 1954 have risen to $250,000." This is big business and requires experienced, business-like heads on the City Council to administer a sound program."

The water system is being expanded as a result of a $396,000 water improvement project approved by voters two years ago. No taxes will be required for these improvements, Gaggero stated. The project will be financed on a revenue basis, from increased income.

Gaggero expresed his thanks to the many people who have been backing his candidacy in the campaign for City Council.

"Continued progress, based on a record of what has already been accomplished, is the watchword for Daly City," Gaggero said, "and it is important for people to note that none of the non-incumbent candidates has expressed any program whatsoever, but have demonstrated a complete lack of understanding of municipal governments.

APRIL 20 DEADLINE FOR COUNTY TAXES

Taxpayers had better hustle if they don't want to face a six per cent penalty for sending in their money late to the county coffers.

Tuesday, April 20, is the last day to make payment on the second installment of the 1953-54 San Mateo county taxes.

They may be paid at the office of county tax collector, Ralph C. MacArthur, in the court house, Redwood City, between the hours of 8 a.m. and 5 p.m. weekdays.

First Team Marked By Improvements States Kennedy

Councilman James Kennedy, whose first four years on the City Council have been marked by some of the most extensive improvements to the water, fire and public works departments in the history of Daly City, said today that the campaign was nearing a close and now it was up to the voters to decide what kind of administration the city would have in the future.

"The anti-incumbent candidates, backed by the same selfish interests which Daly City voters overwhelmingly rejected four years ago, have indicated an absolute lack of platform, promise or even knowledge, so far as city business is concerned," Kennedy said. "People will not be fooled by their methods or tactics and I feel sure that Daly City voters will go to the polls and guarantee the program of progress and improvement which has been incumbent on the City Council for the current term."

Kennedy pointed out that his administration had increased improvements while at the same time reducing taxes.

"It is reassuring to see the many friends and backers who are working so hard on my behalf," Kennedy said, "and I wish to thank them from the bottom of my heart.

"All candidates have had the opportunity of expressing their views and programs during the past weeks, and voters can now do their part by going to the polls Tuesday to cast their vote."

WILSON REVEALS CLOSED SESSION COUNCIL DOINGS

Four years ago when I approached our mayor on the possibility of getting better transportation (mainly jitney service at that time) I learned a lesson no citizen should ever forget! That is—"Never believe the easy promises of men who work and decide your governmental workings behind closed doors!"

Promises "to take care of transportation" were given me. Meetings with the jitney officials followed and what results and information were given you and me? None! In spite of this, I continued to work and speak for transportation! Any kind. I met for extension of the No. 14 bus line. In 1954 I met with the jitney owners. Results? You've had a closed session result, voters, and didn't even know about it.

We have written and spoken proof that jitney service had been offered in closed session with our council) in March, 1953!

We stand ready to give you immediate transportation. Do you want it? You can have it!

It's time for a change! A complete change!

UC Professor To Address Teachers At Garden Village

Dr. Alexander Dumas, University of California professor of education, will address school teachers of the Jefferson Elementary School district today (Friday) at the Garden Village school.

His topic will be "Mortal and Spiritual Values in Education."

Dr. Dumas' talk will highlight today's in-service training workshop for teachers, which has become an annual affair.

Following his message, teachers will form discussion groups. At noon the instructors will go to Rickey's in Stonestown for lunch. In the afternoon the discussion groups will return to give reports.

School closed yesterday (Thursday) for the 3939 children in the district and will resume again April 19 following Easter vacation.

Frequent Jail Visitors Sign Up For New Stay

Henry Mack and Harry Bruhns, frequent visitors to the county bastile, got booked in for another sojourn there Tuesday after a visit to Municipal court.

Judge Thomas L. Bocci sentenced Mack to one year in the county jail, while Bruhns got 30-day reservations at the clink. Both were found guilty of being drunk in a public place and petty theft.

Incident leading to their arrest was reported as follows: The two men had been taking residence in one of the railroad cars in the Colma yard. Monday when they took leave of the car, which was loaded with sheetrock, they decided to take along some of the contents for remembrance.

The following morning they appeared before the Judge.

ENGLISH ASKS IF DC DECAY TO CONTINUE

Will Daly City Continue along the path of decay and neglect? Will the tax monies of its citizens be systematically squandered for the purpose of self edification by time worn politicians? A summation of the answers I've received, during my initial campaign for public office, is that we've put up with this government of little men long enough. It is time we called a halt to this one man rule and continuous postponement of the peoples wishes.

No makeshift coalition of mediocre puppets, controled from behind the scenes, commands the vigor, intelligence and the will to serve our city with the honor and forsight that is urgently needed if Daly City is to realize its potentialities. Daly City needs and is entitled to fearless men of action with proven integrity and unquestionable honesty.

Look at the record of which the incumbents boast, study carefully the progress of which they would give us more, take away the banners and analize the candidates for what they really are as individuals. Yes, look well at the ballot next Tuesday and vote for a man with the courage of his convictions, unfettered by hidden strings, and capable of independent thought and action, your independent candidate.

"Top Team" Drops Ball Again, Says Micheal De Bernardi

Citizens of Daly City, the so-called "top team" has dropped the ball again. This time, with a project that I initiated two years ago—an independent post office.

Through facts that I have gathered, I find the services we are about to receive do not remotely resemble the services asked for by the people in their petition. It seems to be a rush job, poorly thought out, if at all, to try to win a few votes at election time.

We shall try immediately to stop this political farce and strive to get our post office on the conditions stated in the petition.

It is about time we had some men at city hall interested in all of the people.

When a petition, signed by 3000 people, is not indication enough for the city council to get busy and fight for the people, then—It's time for a change! A complete change!

Marcia Davis On Tour Of South With College Group

Marcia E. Davis, 22, daughter of Mr. and Mrs. C. F. Davis, 239 Fairlawn avenue, left today (Friday) on tour with a group of 18 Wheaton college biology students.

Miss Davis will visit Kentucky, Alabama, Florida, Georgia and North Carolina during the spring vacation period, April 9 to April 20.

Traveling in college station wagons, the students will study vegetation and animal life, particularly among the birds. First stop will be in Butler State park, Carrollton, Kentucky. From there the caravan will move to Fontana Village, North Carolina. Other stops scheduled for the tour include Ford Clinch State park, Hampden DuBose academy, Highlands Hammock State park, High Taylor Birch park, Myakka River State park and O'Leno State park in Florida, Tourist camp in Georgia and Louisville, Kentucky.

The students are accompanied by Drs. Mary Frances Lyon and Russell L. Mixter who will share the teaching and counselling duties.

Miss Davis is a physical education major at Wheaton. Following her graduation in June she plans to teach somewhere in California.

Miss Davis and her family moved to Daly City a year ago. Mr. Davis is director of the research laboratory at the Lagendorf bakery.

Chamber Names Five On Parking Authority

The Daly City Chamber of Commerce has announced the selection of five persons to man the Daly City parking authority, a new commission that was established by the city recently.

Those named by the chamber are Walt Rector, Ray Charette, Mrs. Sadie Cardellini, Thomas Stanghellini and Erston Matheney, according to Robert Hunter, chamber president.

The appointments are subject to approval by the city council, which is expected to be given at the regular meeting Monday night.

Special Interests At Work, Declares Candidate Drye

How shall a civic servant serve best the needs of our fast-growing city, where new communities seemingly spring up almost every day? It will be easy if that civic servant serves without thought of personal gain, and with the view that he is a servant to all Daly City.

A councilman's perspective must be all-inclusive, that is— to make all final decisions for the good of the whole, rather than for the good of a part.

This is not true of all those seeking the office of councilman. Tour the city and it becomes apparent that special interest is a prime issue with several candidates. For further conviction ask one of their campaign workers the amount of pressure they are being subjected

With this knowledge it is not to.

difficult to understand it is impossible for these persons to work for special interest and the community interest at the same.

Because of these personal convictions that this must be corrected, I have received the endorsements of friends and labor in running for office. If I am elected I shall humbly give my best as a civic servant, in the interest of all of our fast-growing city.

Confident Voters Want Contiued Progress -- Green

Councilman Paul Green, in the wind-up of his campaign for re-election to the Daly City Council, said today that his supporters were confident that voters would vote for continued progress and retain councilmen whose record of accomplishment has brought improvements to Daly City.

"We have a number of important projects under way at the present time," Green said, "and I intend to stay on the job and complete the task of making Daly City the best city on the peninsula.

"Discriminating voters should carefully examine both the record and the platform of all candidates," Green stated. Idle words and empty promises of some of the johnny-come-lately candidates do not stand up under the scrutiny of anyone who is at all familiar with civic affairs.

"The issue is simply this—shall we have continued progress and improvement or shall we not. My record on the City Council will certainly indicate a progressive program which has resulted in more improvements in Daly City."

Green said he wished to thank those who have been supporting his candidacy.

"We have done our part, with the cooperation of progressive citizens," Green stated, "and now it is up to the voters to do their part."

Lady Takes A Short Run Toward Home

Monday's dreary weather was just a little bit too much for Lady, a lonesome and homesick horse, who has been living rather sedately at a stable on Watt avenue for a little less than a month.

March 14 Lady was taken from her old home out at the beach and moved to the Watt avenue corral where she found herself all alone.

Until Monday morning at 8 a.m. everything seemed fine. Then, in the pouring rain, she broke through the pasture fence and headed toward her old home at the beach. She ran down Wyandotte and Gambetta streets to Mission street and down Mission at a gallop to Liebig street, where, at 8:15 a.m. the run-away six year old was captured by officer Charles Munday and the pound man, Charles Maschinot.

Lady's owner, young Tommy Holland and his father, George Holland, 215 Poke street, both set out to locate the family pet when news reached them of her disappearance. Holland left work when his wife phoned him that Lady was missing. Twelve year old Tommy, all ready for his sixth grade class at the School of the Epiphany, set out for the stable with two carrots to lure his horse home.

Holland found his son's horse on Mission street where the police had tied her temporarily, and rode her back to Watt street, put her in the stable and securely locked her in.

"We usually put her out to pasture during the day and lock her up only at night but today everything is upset. We have had Lady about two years and she has never done anything like this before," said Mrs. Holland.

COMPLETION TIME FOR COLMA SCHOOL ALMOST HERE

COMPLETION OF the Colma school shown here in a scale model has been set for June 1, according to the company holding performance bonds on the project. Finishing of the seventh and eighth grade school has been delayed nearly six months past completion, under contractor A. F. Stewart. Harrison Williams, contractor-expediter for the bonding company, will take over completion of the job. At a recent meeting of the Jefferson Elementary School district board of trustees, Williams told the board of his plans to take over the job for the contractor.

YOUR NEIGHBORS AND MINE

By Betty Brush

Hello Neighbors:

If April showers bring May flowers we should really all have a nice assortment in our gardens soon. Let's hope the rain gets itself over with before Easter so that all the children may really enjoy the day. April also ushered in a variety of activities among the neighbors so let's see just what they have been doing.

One of the nicest and surely most loved of the neighbors in the Los Banos-Los Olivos area is home from the hospital and recuperating nicely. MRS. ADA JASTRUMSKE, like so many of the neighbors, has found out just how many friends she really has. She has received more cards and calls than a secretary could handle. The nicest of all though was a package of letters written by the children in one of the third grades at Woodrow Wilson school. The sentiments expressed by these little children are wonderful. She would like to thank one and all for their many forms of kindness at this time. While she is not up and around yet it won't be long before we'll be seeing her nice smile and hearing her cheery "hello" again.

One of the nicest teen-agers one could know had a birthday this week. KENNY " Mighty Mouse" DAY of Los Olivos avenue celebrated his 15th birthday with the help of his family and many friends who gathered to wish him much happiness on this occasion.

Items of Interest

A couple of the best known neighbors have packed their bags and taken off on a trip that all of us at one time or another dream about taking. MR. and MRS. RICKMAN of San Diego avenue boarded the Lurline last Friday and sailed away to the Hawaiian Islands for a two weeks vacation. The best wishes of all the folks who know them go with them in wishing them the happiest of vacations.

Do you like to dance to the music of a good orchestra? Do you like good entertainment? Do you like to get the services of people "for free?" The answer to all these questions is the Widows and Orphans Ball held by the Daly City Fire Department. The music will be furnished by Del Courtney's band and according to the publicity chairman, FRANK SPECHT, the entertainment will really be worth seeing.

There are many of the neighbors who do not care to dance so the one hour and a half of top notch entertainment has been planned for real enjoyment. Many of us in these times of heavy taxes have wondered just what the boys in blue do with the money they get from the tickets each year. The majority of it goes to pay the premiums for the insurance policies for the volunteer firemen which means they are covered with insurance at no cost to any of us. In addition to this, if there is a surplus after the premium is paid they have often donated to youth activities of many kinds. They are our firemen working to protect and help us so let's get behind them and make the dance the best ever.

Daly City's young fry who cross the busy intersection of Mission and Vista Grande avenue have a new friend to see them safely across the street. Due to the unfortunate illness of GEORGE AUGUSTEIN, who has been their cop for years, his place is being taken by ART ALVISO. Art is well versed in the ways of youngsters, being the beloved grandfather of eight boys and girls. While one and all miss George we are glad that he is replaced by such an understanding "cop."

Such excitement in the home of one of the neighbors last week you never did see. A little lady of five insisted in helping (?) Mama make Daddy's birthday cake and fix the dinner. According to JANET her daddy, BILL BRUSH of Niantic avenue, had the most beautiful cake and of course it was covered with as many candles as she could get on it. Daddy Bill, like all fathers, was pleased and surprised by not only the birthday dinner but th enice presents he received from his family. A happy birthday, Bill, from all the rest of us, too.

Many of the real old timers of our town were saddened to hear of the passing of MRS. D. J. CREAMER on April 2nd of last week. Many years ago when Daly City was just getting started some hardy souls moved "way out there." Among the first five families to settle here was Mrs. Creamer. Many years ago she took an active part in many of the doings of the neighbors and was a friend of many. The deepest sympathies of all of us are extended to her family at this time.

Another well known neighbor is home from the hospital to the delight of her family and many friends. MRS. CHRISTINE HULME of San Diego avenue is now back among us again and we hope the rest she got in the hospital is just what she needed.

News was received of Seaman RICHARD EAGEN of the U. S. Navy last week. Dick is still aboard the destroyer U. S. S. Boyd and cruising around Japanese waters. Dick is looking forward to getting home in a few months and will be welcomed by all his family and friends. He hasn't too much more time to serve before he receives that coveted status of civilian again. We'll be watching for you, Dick.

All is well with PFC. GEORGE CONSTANTIN of the U. S. Army stationed in Korea. George is cooking and baking away merrily these days. At last news he was cooking turkies and having gone pheasant hunting in his free time, he also popped one of them in the oven at the same time. Last time we heard it was cakes and pies. Now it's pheasants. When George gets home he had better watch his step or he'll find himself donning the apron for sure.

Had a letter from one of my favorite young men this week. PVT. JAMES JASTRUMSKE of the U. S. Army now stationed at Fort Ord writes that he likes the Army fine. He has achieved marksman in the rifle competition and is also going to school to continue his interrupted high school education. The Army, like all other branches of the service, gives one the opportunity—it is up to the fellow himself to take advantage of it. Jim will be home in a week or two for a visit and we are all looking forward to seeing him.

Had word from A/3c EDWARD F. HARPER of the U. S. Air Force and Lackland Air Force Base that it will be December before he gets home. He is a very busy young man these days as he is in the Medical Corps at the receiving center for new recruits. Just as he thinks he has time for a breather in comes a new batch of fellows and he's busy all over again.

Heard from another of my boys in the Air Force this week. A/2c EMERY KELLUMS has finished his training for Air Police and has now been stationed at Chanute Field AFB, Kansas. Em will make quite an imposing AP as he is quite a big guy and has a very pleasing personality. Good luck, Em, in your new station.

Had word from the boys in Letterman Hospital again. Now that the war is over for many they wonder if they are to be forgotten. There are a few of the ladies who haven't forgotten and are just as faithful as they have always been. Nevertheless there is a definite lack of interest on the part of the majority of us. Many who used to go or donate to these boys seem to have other interests now or think that other projects are of more importance. As long as there remains even one boy in a service hospital just so long should our interest in them be of primary importance. How about it, neighbors?

News and Views

A little bit of a girl had a birthday last week. MISS SUSIE LYNCH of Mission street celebrated her fifth birthday in the way so dear to the hearts of all little children. She had a party attended by many of her little friends and the traditional birthday cake and ice cream were served to the delight of all.

Had a phone call from MRS. MARY HANKERSON of Mission street who is looking for volunteers to help her in the Cancer drive that is being conducted in our town during the month of April. We are all unfortunately too familiar with the affects of cancer. Many of us have had it and been lucky enough to find it out in time to be helped. Many have lost members of our families or friends to this dread disease. There is hope, though. Hope in finding out through research, that some day cancer will be conquered. Naturally this research takes funds and it is up to us to do our part in whatever way we can. The collectors who donate their time will be calling on us soon so please give generously so that some day in the near future there will be no fear when the word Cancer is mentioned.

You have all heard of coincidences—this is really the best yet. MRS. CLARA POKET of Mission street attended a VFW meeting for the committee on opening Channel 9 for educational purposes. During the meeting a movie of the type to be used was shown. Imagine her surprise when it was a picture taken on a ranch in Gunnison, Colorado, where Clara was born. To make it better yet the people in the film were Cousin GUS ROBESON and his wife and the ranch was actually Clara's aunt's where she used to spend her vacations many years ago when she was a little girl. The houses, bank and stores look just the same as when Clara saw them last in 1904. This was the first she had seen of these members of her family since 1932. All in all it was not only a coincidence but quite a thrill for Clara who really enjoyed it. This one should really be for Ripley.

Closing up shop early as possible and packing bags and family for a weekend trip was MRS. LYNN BOSKY of the Daly City Beauty Shop. It had been quite a while since she had seen her mother, MRS. PEARL HIGGINS, so Lynn just decided to see what Mama was doing. While Bethel Island is not very far away it takes a bit of planning for such a busy lady to get away even for a weekend.

Missed around town over the weekend was MISS DOLLY CASTELLANO of Santa Cruz avenue. Dolly was another of the neighbors who packed her duffle bag and took off to the country. She went with her friend, Kay, to Russian river and while the weather wasn't of the best the trip was a nice one.

Among the beautiful cakes shown at the Baker's Exhibition and Ball last Sunday were those entered by CARL of the Relish Bakery. They were really the work of an artist as well as a master baker. Congratulations to a good neighbor on his beautiful entry.

Well, neighbors, another week's news has passed through this antique typewriter. We are now approaching Holy Week and there will be services in the church of your faith many days next week. This would be a good time to send a card or letter to that boy in the service that you know, to a sick friend or relative, or to just some friend you haven't seen for a long time. Remember the phone is still PL. 5-6482 and please get your news to me by no later than Saturday night or it will have to be held until the following week. Until next week then—'Bye now.

FIVE BOYS RECEIVE LIFE SCOUT AWARDS AT COURT OF AWARDS

Presentation of five Life Scout awards, second highest honor in Boy Scouting, was a highlight of the Lake Merced District Court of Honor held at Aptos Junior High school recently.

The evening's program also included presentation of nine Star Scout awards, a participation plaque, Scout Week window decorating awards, and 1953 Honor Camping awards.

The Life Scout honors, signifying completion of ten or more merit badges, went to Earl Rathbun, 468 Hazelwood avenue; Thor Raymond, 580 Magellan avenue; and Richard Van Druten, 285 Castenada avenue, all of Troop 88, sponsored by the Forest Hill Association (William E. Turpen, 79 Wamona street, scoutmaster).

Also to Reed C. Grandy, 16 Weston drive, of Troop 92, sponsored by the Young Men's Improvement Association, Balboa Ward L.D.S. (Lynn Jarvis, scoutmaster); and Jordan Portoghese, 1753 Mason street, Lone Scout (Mart P. Bushnell, Director of Training for the San Francisco Scout Council, advisor).

The awards were presented by Dr. F. Grant Marsh, Executive Dean of San Francisco City College and Chairman of the Lake Merced District Committee.

Star Scout Awards

Star Scout awards, given to boys with five or more badges, were presented by William Knight, office manager at Park Merced and Vice Chairman of the Scout District's Advancement Committee.

The nine Scouts receiving Star badges were: Jordan Portoghese; Robert Henry, 35 Alton avenue; James Francis, 55 Garcia avenue; David Elvin, 265 Pacheco street; Arthur Park, 200 Santa Paula avenue; and Robert Pollitt, 48 Alton avenue, all of Troop 88.

Also George Holt, 6 Fuente, Troop 98, sponsored by St. Francis Episcopal church (Walter F. Michels, scoutmaster); Larry Tambor, 18 Cliffside drive, Troop 248, sponsored by the Westlake Improvement Association (Robert R. Boehlein, scoutmaster); and Byron W. Sutton, 135 Tapia drive, Troop 340, sponsored by the Lake Merced Parents Club (James F. Schon, scoutmaster).

Present Plaque

A rotating participation plaque was presented to Troop 50, sponsored by the Pilgrim Congregational Community church, which had present — including friends and relatives—a total equal to nearly 300 per cent of the Troop's membership.

Awards for window decorations during Scout Week in February were presented by Albert M. Rosenberg, District Activities Chairman, to Troop 50, Troop 98, Troop 143, sponsored by Southern Pacific American Legion Post 412, Troop 340, and Troop 123, sponsored by St. Emydius church.

The annual Honor Camping awards were also presented at the Court of Honor. These went to Troops completing a good all-round camping program for the past year. They were: Troops 50, 88, 92, 98, 104 (sponsored by West of Twin Peaks Post 233, American Legion), 123, 248, and 340.

First Class Scout awards were presented to Ramon Calderaro, 1640 Cayuga avenue, and Leslie G. Levi, 135 Arch street, both of Troop 50; Bradley Civiello, 124 San Juan Batista, and Ralph Crowhurst, 2632 43rd avenue, both of Troop 92; and Steven Kosutio, 290 Magellan avenue, Bill Quine, 225 Santa Paula avenue, and Fred Voltmer, 421 Crestlake drive, all of Troop 88.

Seven boys from Lake Merced received Second Class honors, and merit badges were presented to 28 boys.

Assisting in the presentation were Rudy Niemi, Institutional Representative for the Pilgrim Congregational Community church; Al Christiansen, Advancement Committeeman for Troop 88; Al Wilson, Committeeman for Troop 248; Charles M. Tanner, Advancement Committeeman for Troop 250; and Bynum W. Sutton, Advancement Committeeman for Troop 340. Maurice Powers, District Scout Executive for the Lake Merced District, served as Secretary for the Court of Honor.

Golf Ticket Sales Reach $30,000 Mark

"Booster" ticket sales for the coming $10,000 San Francisco Open Invitational golf tournament, scheduled April 30, May 1-2, at the Lake Merced Golf and Country club, have passed the $3,000 mark, ticket chairman Floyd Carley said yesterday.

"The results are very encouraging," said Carley, emphasizing the importance of the advance sale of the "booster" tickets. The tickets, selling for $10.00 each, include two $5.50 season tickets to the three-day tournament, a special "booster" ribbon, and an official listing in the program.

Tickets are on sale at the S.F. Jr. Chamber of Commerce, sponsors of the tournament; Stewart Chevrolet Co.; Leopard Cafe; Roos Bros.; and Styles Furniture Co.

Meanwhile, Bud Finger of the Stanford Golf Club said that "from 6 to 10 of our Stanford players will definitely enter the qualifying round on April 27. We will have a good representation from Stanford."

Credit Belongs To "Those" Who Made It Possible And Those "Those" Are You

Gateway Chevrolet set an all-time high in their service department for the month of March. Your wonderful reception to our service policies has made it possible to offer that "extra plus" service, which we have attempted to do.

We have hired the best mechanics, body men, and painters that we could find. We have used only genuine Chevrolet parts in our repairs. We have put a fair price on all our work performed and have attempted to do it as speedily as good work can be done. We have supplied free courtesy cars for major tie-up work, and you have approved.

You don't grow with just the idea and hope that you will grow. You must do something to make that possible.

So we say "thanks" to you and hope that we can continue to have and merit the faith you have entrusted with us, and we are looking forward to serving you even more in the future.

DOUBLE RING RITES WED BRYANT-POTVIN

A double-ring ceremony Friday united in marriage Patricia Bryant of this city and Lloyd Potvin of Wisconsin.

Rites were performed by the Rev. Gerald Scoggins of the Church of Christ, and were held at 269 Chester street, San Francisco.

The bride wore a white knit suit with black accessories, embellished by an orchid, while her maid of honor, Alice Reardon, was attired in a similar ensemble.

Best man was C. G. Brownlow, uncle of Miss Bryant.

The groom's mother, Mrs. Lonnie Bryant, was dressed in a gray suit with red accessories.

Following the wedding, a reception was held at the Chester street home, with 43 persons in attendance.

The newlyweds then journeyed to Carmel for their honeymoon, returning here Monday.

The bride is the daughter of Mr. and Mrs. Lonnie Bryant of 269 Hillcrest drive, while the groom's parents are from Wisconsin.

The new Mrs. Potvin attended Jefferson Union High school and was graduated in February of this year. While at Jefferson she was active in sports and choir activities. She is currently employed as a stenographer for a South San Francisco firm.

A member of the U. S. Armed Forces, the groom attended schools in Wisconsin. He will receive his discharge from the service in a few months, at which time the couple will make their home in Wisconsin.

Special guest at Friday's ceremony was I. C. Brownlow of Lubbock, Texas, grandfather of the bride.

CANDIDATE AND FAMILY

The John Drye family, 148 Windsor avenue, pose for a pre-election portrait in their home. Drye is a candidate for City Council. Pictured with him, left to right are Robert, 5, Mrs. Drye, John, 8, and Charley, 2.

OLPH MOTHERS TO HOLD MONTHLY MEETING TONIGHT

Tonight (Friday) the regular monthly meeting of the Mother's Club of Our Lady of Perpetual Help school will be held in the school hall at 8 p.m. The sixth grade mothers will be hostesses and the main subject of the evening will be a report on the fashion show and election of officers for the coming year.

The Mother's Club and their guests were entertained and feasted at the annual Spring Fashion Show and Luncheon on Sunday, March 28. Clothes from Westlake Fashions, Towne and Beach Tog Shoppe and Lass and Laddie Shop from the Westlake Shopping Center were displayed by members of the club and their children. Models were Mesdames Peter Lofrano, James Kennedy, J. Paul Green, William Fullan, John Mosman, Garth Sallade, Richard J. Ennis, Robert Lynch and Charles Maschi-

not. Modeling children's fashions were Patsy Vinal, Colleen Millett, Cathy Sallade, Betty Traynor, Cathy Coleman, Margaret Liberti, David Cresta, Freddie Lofrano and Jay Kelley.

One of the exciting moments of the show was the announcement that a lovely Trude of California Mother and Daughter outfit from Lass and Laddie Shop was to be given. Mr. and Mrs. Scott, owners of the Lass and Laddie Shop in cooperation with Trude of California donated the outfit. Later in the Show a box of Picturesque Hosiery was won by Mrs. Marion Balestreri of the Mothers' Club. This prize was given by Miss Jeanne Goldhirst, owner of Westlake Fashions.

Three young ladies called the "Cassulites" entertained uring intermission with a medley of old and new songs.

Mrs. Achille Liberti, commentator, performed an excellent job by throughly describing each ensemble and "ad libbing" about each of the models. Thoroughly enjoyed by all was the very "smart" outfit modeled by Mrs. J. Paul (Pat) Green, a surprise to everyone except Pat and Mrs. Liberti. This was for the early morning call, usually by the Pastor or President of your favorite club. Headgear was a piece of worn out sheet wrapped around resembling a turbin, old sweat shirt and worn out slacks rolled up to the knees, and sloppy joe saddle shoes, complete with mop and pail.

Other fashions modeled included spring and summer cottons for either day or evening wear, and were all specially priced for the show. They can be obtained at the three stores mentioned above located in the Westlake Shopping Center in Daly City.

Cochran is past commander of the Jacob Smith post No. 83 in San Francisco. He transferred his membership to the Old Glory post in 1951. Since that date he has served as post adjutant for three years.

SEEK FULL RUN OF CHILDREN'S PLAYS FOR LOCAL YOUTH

Because of the overwhelming success of the recent staging of "Pinocchio" at Jefferson High school, local officials report that negotiations are underway to secure a whole season of the productions.

The plays are put on by the San Francisco Children's theater.

STATE INCOME TAX DEADLINE APRIL 15

Have you filed your 1953 State Income Tax return? If not, now is a good time to do it according to Robert C. Kirkwood, chairman of the Franchise Tax Board. He stated that the staff of the Income Tax Division is now in a position to give assistance to taxpayers which may not be possible closer to April 15, the final date for filing.

You must file a return for 1953 if you were single and had a net income of $2,000 or more, or if married and the combined net income of husband and wife was $3,500 or more.

OLD GLORY POST LAUNCHES NEW MEMBERSHIP DRIVE

Old Glory Post No. 2044, Veterans of Foreign Wars, are launching an intensive campaign to bring together all eligible combat veterans residing in Daly City and its environs.

Adjutant Cochran, a member of the membership drive indicated that the drive was for the purpose of mustering strength to forestall impending Congressional attacks on existing Veterans benefits.

"From past experience, this organization recognizes current definite trends toward economy in government at the expense of veterans through curtailment of veterans benefits. Only by strong, concerted action can these benefits be retained," Cochran said.

Old Glory post meets the second and fourth Fridays of each month in Little Italy Hall, 6229 Mission street.

Membership committee members are R. F. Brulez, 99 Concord street, DE. 3-3749; A. Albertus, 167 Vienna street, DE. 3-9759; and Cochran, 155 School street, PL. 6-1821.

Local Knights Of Columbus Win Major Honors In District Association Play

The Marian Council of the Knights of Columbus copped the major honors at the Bay Districts Knights of Columbus Golf Association Tournament held at Pasatiempo Country Club last Sunday, March 28th.

Dave Cantwell, member of the local council, took low gross honors with a 75 over the difficult Santa Cruz course to lead the field. This makes two in a row for Cantwell as he shot a 74 to win the tournament held at Sonoma last at Sonoma last month. Andy Parodi, another local member, led the Class B group with a net score of 72, while Jack Crofton, Deputy Grand Knight of the Marian Council, finished fourth with a net score of 74.

The Marian Council, organized in January of this year, is the local unit of the Knights of Columbus in the 8th California District. The Chaplain is Reverend Anthony F. Morrisey, pastor of Holy Angels Catholic church, and the council is headed by Grand Knight Joseph "Bud" Capurro. The membership includes many Catholic laymen of this area. A spirited program of civic, religious and athletic activities has been planned for the months to come. If you are interested in participating in the activities of this enthusiastic organization of Catholic men, contact Jack Kunkel, membership chairman at PLaza 6-1656. Meetings are held on the 1st and 3rd Monday evenings of each month at Columbo Hall, San Pedro road, Colma.

GRACE HAGMAN TO VISIT HILLCREST CIRCLE MONDAY

The Grand Arch Druidess Mrs. Grace Hagman will visit Hillcrest Circle Monday, April 12, at 8 p.m.

According to Mrs. Grace Hill, chairman for the evening, many grand officers as well as a number of circles will be represented at the meeting which will honor the charter member. The circle is celebrating its 25th anniversary.

The meeting will be held in the Masonic Temple, 17 Hillcrest drive. An initiation will be held as a part of the program for the event.

Why fine car buyers are swinging to Ford

Worth more when you buy it . . .
Worth more when you sell it!

A lower price tag buys them one of America's truly fine cars.

And here's how:

Compare Ford with the finest! You get the same modern type of overhead-valve engine . . . the same road-hugging ride . . . the careful interior decorating . . . the same quality construction . . . and the same optional* power assists you'd expect to find in cars costing *hundreds* of dollars more. So why *pay* more? This is the question prudent car buyers are asking themselves. And that is why you'll often find *two* Fords proudly parked in driveways where there used to be but *one* costly car!

*at extra cost

Take power: Only Ford, among all low-priced cars, offers you a Y-block V-8 engine or an I-block Six. And both of these new deep-block engines are the most modern in the industry . . . with low-friction design, wedge-shaped, high-turbulence combustion chambers, overhead valves, deep-block construction.

Take ride: Ford's new Ball-Joint Front Suspension is the greatest advance in chassis design in 20 years. Vertical wheel travel is increased—so wheels can "step down" into deeper ruts with less shock being transmitted to passengers. Your Ford not only steers easier but will keep that "new car feel" far longer.

Take power assists*: Fordomatic Drive is the only "automatic" in its field to combine the smoothness of a fluid torque converter and the "Go" of an automatic intermediate gear. And you can have Ford Master-Guide Power Steering, Swift Sure Power Brakes, power lifts on *all four* side windows and a *4-Way* Power Seat.

Take a Test Drive . . . and you'll want to drive it home!

ST. STEPHENS GROUP TO HOLD ROUND-UP ON APRIL 23, 24, 25

Lucky patrons who attend the St. Stephens Round-Up on the parish grounds on April 23, 24, and 25 will not go home hungry, according to Mr. Gene Hartney, refreshment chairman. In addition to a wide variety of snacks and drinks, the committees have planned special booths that will feature steaks, chickens, cakes, candy and the tempting offerings of a big country store. The childrens interests will not be overlooked. Special rides, games, prize dolls and refreshments will be available.

Palm Sunday Services To Be Held Twice At Bethel Lutheran

Palm Sunday will be observed with two services at Bethel Lutheran church, Alemany boulevard and Huron avenue. The first service will be conducted at 8 a.m.

The sacred Rite of Confirmation will be observed at 10:45 a.m. The following will be received into membership: William Harter, Arthur Sauer, Gertrude Sauer, Ruth Sekols, Shirley Walker, Linda Lou Arthur, Barry Asplund, Fred Bruch, Carol Hoyer, Ronald Moon, Barbara Ohlendorf, James Olson, Owen Parker, Larry Pulliam, Marie Stojkovich, Paul Vasconcellos, Roberta Wandel.

The Junior Choir, under the direction of Miss Gladys Schultz, will sing. Mr. Iru Price will serve as organist.

The Pastor of the church, the Rev. Herbert P. Schroeder, will officiate at both services.

The members of the confirmation class will partake of the Sacrament of Holy Communion together with the congregation on the evening of Maundy Thursday at 8 p.m.

Lenten Devotion To Be Held Thursday At The Church Of Our Savior

The Sunday services at 10:45 a.m. on Sunday at the Lutheran Church of Our Savior (American Lutheran Conference), Junipero Serra & Garfield, San Francisco, will be under the guidance of Student Minister Robert Varblow.

Lenten devotions take place on Thursday evening from 7:30 to 8:30 p.m.

Pastor William A. Fagal

and the Faith for Today Quartet

"I saw an immense ball of fire fall among some beautiful mansions, causing their instant destruction. I heard some one say, 'We knew that the JUDGMENTS OF GOD were coming upon the earth, but we did not know that they would come so soon.' Others, with agonized voices said, 'You knew! Why then did you not tell us? We did not know.' On every side I heard similar words of reproach spoken." E. G. WHITE on Revelation 16.

VISTA GRANDE CELEBRATES PALM SUNDAY

The Vista Grande Avenue Christian church celebrates Palm Sunday in its morning services this coming Sunday.

The choir, under the direction of Mrs. Ted Griffin, will sing the negro spiritual, "Were You There When They Crucified My Lord." Interblended with it, Kent Tiedeman will read a poem written by the minister, Howard Patrick McConnell, entitled, "Yes . . . I Was There."

Dr. McConnell will speak at 10:55 on the subject, "Branches of Gratitude." The Sunday school session is at 9:30 o'clock with classes for all ages, and a well provided nursery for little ones.

The Christian Youth Fellowship meets in Fireside hall Sunday evening, and the Chi-Rho group on Friday evening.

The Christian Women's Fellowship will meet at the home of Mrs. Denzil Carlisle, 326 Victoria, Tuesday evening, April 13.

A Union Communion Service will be held at the First Christian church located at Noe at Duboce Thursday evening, and Good Friday services will be held in the Vista Grande church from noon until 3 p.m.

The Rev. Clifford Jope and the Rev. Neal McCowan will assist in the Good Friday services which feature the seven last words on the Cross.

The Vista Grande church joins with other churches in the mass meeting at the San Francisco Civic Auditorium Palm Sunday evening at 7:30 o'clock. Congressman Judd of Minnesota is the speaker, and a choir of 500 voices will be heard.

Dr. Arnold B. Come Sermonist At Grace Church Palm Sun.

"The multitudes that went before, and that followed, cried, saying, Hosanna to the Son of David; Blessed is He that cometh in the name of the Lord; Hosanna in the highest." Matthew 21:9.

On Palm Sunday, the speaker at Grace Prebyterian church will be Dr. Arnold Bruce Come. Dr. Come is associate profressor of Systematic Theology at San Francisco Theological Seminary, San Anselmo. The choir will sing the anthem "Jerusalem" by Henry Parker.

The morning worship service begins at 11 o'clock and the church is located at the corner of Crocker and Winchester streets. Sunday school for all ages at 9:45 a.m.

Presbyterian Group To Sponsor New Lecture Series

The Broadmoor Community Presbyterian church's Women's Club will present a series of two lectures on April 23 and May 7 at the Community church on 87th street, according to Mrs. Dorothy Swoverland, publicity chairman for the group.

First in the series will be a lecture on "Art and Your Child" by Mayo Bryce of Garden City. The talk will begin at 8 p.m.

Dr. Alfred G. Fisk will speak on "A New Day In India" at 8 p.m. on May 7.

Tickets will be $2 for both lectures. Money will go to the church fund. Tickets may be purchased from Mrs. Edith Warmoth, 1820 Louvaine drive, or ordered by phoning PLaza 5-8026.

EXTRA FAN BELT

Some experienced motorists who frequently make long trips carry with them a spare fan belt, says the California State Automobile Association.

GUARD UNIT REPORTS LARGE INCREASE IN MEMBERSHIP

In a progress bulletin on the newly organized Vista Grande platoon of the California 49th National Guard division made by publicity chairman LeRoy Storm an increase of from four to 37 men was reported.

When the unit, which is a part of the 159th Infantry Regiment stationed in San Francisco, first met in the War Memorial Community Center there were a total of four men in the ranks.

At present the Daly City recruits are drilling, practicing putting together their field packs and learning to assemble their weapons.

The platoon, as of April 1, has a 1-1 record in the National Guard Basketball league. The locals won their first game 45-10 but dropped their second game 15-45.

Truck Stolen From Local Mill Shed

A yellow Chevrolet half-ton pick-up truck was stolen Wednesday night from the Westlake Mill yard of local home builder, Henry Doelger.

The truck, a recent purchase, has no identifying decals on it.

According to Henry Porter, 15 Fairfield way, the pick-up was parked in a shed in the mill yard with the keys in the ignition, when he left work at 12 midnight Wednesday. The oiler, who begins work at 4 a.m. stated that the truck was missing when he began making his rounds.

Porter said that a weapons carrier with a welding unit mounted on it was parked against the missing truck. The person or persons responsible for the disappearance of the vehicle forced the weapons carrier out of the way with the pick-up. The truck front grill will probably have extensive damage according to Officer Munday of the Daly City police force.

Other vehicles in the mill yard showed signs of ransacking by the culprits. Police feel that the persons were searching for gasoline as Porter reported that apparently nothing else is missing.

The first quartz gold mill in the world was constructed at Grass Valley following discovery there in 1850 of quartz gold.

The home of General Mariano Vallejo in Sonoma is called "Lachryma Montis" or "Tears of the Mountains," and contains many momentos of early California.

County Records Show Increase In March Weddings

The number of papers handled by the office of the county recorder last month was just 17 short of the number handled by that office during the month of March last year.

According to notice from the office of Ruth Kirste, recorder of San Mateo county, the office handled 7222 records last month and collected $16,585.95. Fees for the same month in 1953 totaled $17,904.80.

While the number and revenue totals were down, the number of marriages in the county was up. 118 marriages were recorded during the 30 day period just ended as opposed to 105 recorded in 1953.

Good Progress Reported On Jefferson Cafeteria

Good progress in the work now being done on the construction of the new cafeteria building at Jefferson Union High school is reported by officials of the school.

All concrete has been poured and the rough work completed. The new building will contain a dining room, kitchen, clothing room, foods laboratory, conference room, little theater and the nurse's headquarters. Completion is anticipated this summer.

Other improvements being made at Jefferson include the laying of a new fire line.

Two lines of five inch pipe will be run from Mission street to a position near the corner of the gymnasium and new cafeteria building. A single five-inch line will continue to a location near the industrial arts building. Three fire hydrants will be installed.

The Board of Trustees of the Jefferson Union High school district voted to install the new fire line upon the recommendation of Elmer Kennedy, Daly City fire chief. Purchase of the pipe was made through the State Educational agency for surplus property.

Local Trackmen Toppled In All Three Divisions

SAN MATEO'S DEFENDING CHAMPS ALLOW JEFF VARSITY ONLY 3 FIRSTS

Weakness in the field events and sprints showed Tuesday as Jefferson High's varsity track team bowed 77½ to 35½ to a powerhouse San Mateo aggregation.

The lightweight squads fared about the same, as the local 30s were topped 66 to 46, and the 20s were outscored 36 to 32.

The strong San Mateo varsity, defending PAL track and field champions, allowed the Indians only three firsts. Two of these were rung up by Larry Allen, one of northern California's top half-milers, who won that event in 2:07.1, considerably off his best time of 2:03. Allen turned in a sparkling performance in the 180 yard low hurdles, winning the low sticks event in 20.5, establishing a new Jefferson school record.

Fambrini Surprises

Surprise of the meet was Rich Fambrini, regular lightweight 1320 ace, who stepped up a class to tour the varsity mile in 5 minutes flat, winning that event. It was the first time that Fambrini had ever run the mile, and Coach Ernie Ribera wanted to test his stamina in the extra lap. Fambrini will return to the 30s outfit for other meets, competing in the 1320, an event in which he is undefeated this year in four dual meets.

Jim Rector, who usually goes the mile route for the varsity, tried this hand at the 880 Tuesday and pulled in second behind Allen, in the good time of 2:08.

Relay Team Misses

The Indian relay team nearly nabbed a first, as they finished only one yard behind the Mateans in the time of 1:33.1.

Wayne Webb ran a photo finish to the wire and posted a 10.4 century for a second, and was runner up in the 220 with a 22.7 effort. He was only five tenths of a second off the winner's time.

Wally Honey well snared a second in the 440, which was won by the Bearcats' Floyd Arterburn in 50 flat, best performance this season in PAL competition. Honeywell was timed in 51.4 for the distance.

John Marshall finished second in the mile behind Fambrini. He was clocked at 5:02.

Herzog Gets Second

Dave Herzog got a tie for second in the high jump at 5' 5". Winning height was 5' 6".

Third place points went to the Jeffs Don Wiesner, 120 high hurdles, Don Thomas, 100-yard dash, Neil Lundy, pole vault and Mike Cloonan, discus.

Cloonan got off a best toss of 110' 2."

In the 30s competition Lowell Klaisner, Gary Harris, Bob Pool and Bill Curtis nabbed firsts. Klaisner scored a double, winning the 75-yard dash in 8.3 and the 150 in 15.6. The latter was a school record.

Harris scored a win in the 660, posting a 1:31.2, one of the better PAL times this year for that race.

Pool Cops 1320

Pool copped the 1320 in 3:43.7, a fair time for that event. Pool usually winds up behind Fambrini but had the field all to himself as his teammate moved up to the varsity ranks for the mile.

Hitting 5' 3", Curtis topped the competitors in the high jump. Jerry Nix got a tie for second in the 75 and second in the 330.

Don Calderia was runner-up in the 1320 Beatin tossed the discus 104' 4" for a second in that event and Dave Coates got a second in pole vault, going over 8 feet.

Thirds were taken by Carl Thomas, 70 yard high hurdles, Clark Souza, 660, Ron O'Rouke, 330 and broad jump, Allen Grasso, 1320, Phil Daniels, high jump, and George Melodia, 46' 9".

20s Make It Close

The Daly City 20s, with one more first place, could have topped the Mateans, as they got beat out by only four points.

Mike Piazza was the only winner for the Indian lights, posting the best broadjump with a leap of 16' 8 1/2." Piazza also picked up seconds in the 75 and 150 yard dashes.

The Indian relay team won in 48.5, breaking the school record of 48.7.

Scoring seconds for the locals were Wayne Flansburg in the 330, Armando Guiterrez in the 120 low hurdles and Ron Bernstein in the high jump and broadjump.

Bernstein also copped a third in the 330. Boyd Hillyer was the only other Jeff point scorer, taking third in the shot put with a heave of 42' 4".

Invitational Tonight

Tonight (Friday) at 7 p.m. five Jeff cindermen travel to Redwood City for the Sequoia Invitational. Allen, Rector, Fambrini, Klaisner and Piazza will make the jaunt.

Next dual meet for the locals is two weeks from today, when they will face South San Francisco. To date the Jeffs have two wins and an equal number of losses in PAL dual meets.

LOWLY BRISBANE NIPS KENNEDY FOR THREE

Kennedy Electric literally was thrown out of contention in the Daly City-Colma Bowling league Tuesday as they dropped three straight games to Brisbane Lions, who had previously occupied the cellar.

The Kennedy company was last week only one game out of first place behind Thur Meat Co. Thur won two from Homes by Sterling Tuesday, bringing the meatman's record to 50-34, while Kennedy now has a 47-37 mark. Only two weeks remains in regular league bowling.

Carlos Pizzeria registered the only other triple win Tuesday, taking the measure of Pearson & Rector. This moved the pizza boys into second place with a 47½-36½ tally for the season. Only by winning the rest of their games could either Kennedy or Carlos finish in a tie for first, and this could only come about if Thur loses the remainder of their games.

High indivdiual game and series Tuesday were both claimed by George Curry of Thur Meat Co. He rolled a 246 game and hit a 597 series. George Mutto of Paul's Flowers ran a close second for high individual game honors, posting a 235.

High team game went to Jack's Inn, bowling 898 from scratch. The Orphans had an identical score, counting their 59 pin handicap.

High team series, 2630, was claimed by the Orphans.

RALPH'S NEARLY UPSET ALTA ROOFERS; GIGLI PLUMBERS TURN BACK VFW FIVE

Ralph's Cleaners, led by Gary Kenny, former basketball player with the Moffet Field Flyers, came within ten second of defeating the favored Alta Roofing five last Monday night at the community center in Adult Basketball league play. Ralph's, with seven minutes remaining in the fourth quarter, were leading by 11 points when Cappy Lavin and Jim Walsh started to pepper the basket in the remaining minutes and closed the gap to 57-55.

Lavin then stole the ball with fifteen seconds to go and hit a driving ten footer to tie the score at the quarters end. Going into the overtime the Ralph five became a little too aggressive and the Alta team scored their remaining six points on the charity lane to win 63-62. Gary Kenny led Ralph's with 16 points. Jim Walsh had 22 and Cappy Lavin 20 for Alta Roofing.

Gigli Plumbing, led by 6' 8" Doug North's 15 points, outlasted the VFW in another thrilling game by a score of 55-51. Gigli plumbing, although outshot from the floor, made good 15 points from the free throw lane while the VFW could only cash in on three points from the same spot to squeeze out their win. Jim Flaherty scored 14 points for the VFW five.

The league will draw a bye Easter Week and will start again Tuesday night, April 20, with two games.

Pack 123 Fells Pack 248 As Losers Go Into Hitting Slump

Sparse hitting and an abundance of errors combined to hand Westlake's Cub Pack 248 A team a loss Saturday against Pack 123.

Although Jeff Tambor, on the mound, and his battery mate, Peter Dunan, worked well in allowing the opposition only six hits, walking three, ragged support in the outfield allowed Pack 123 a total of 16 runs, against 3 for the local team.

The Westlakers, usually a strong hitting club, were held to a trio of safeties, two of these by Clark Beerman, third baseman, and one by Tambor.

Beerman now leads his team in batting with a .539 mark.

Bright spots in the contest were the playing of Beerman at third and Chris Hanson at first, both playing in these posts for the first time.

Manager Walter Dunan also may have uncovered a couple of good relief pitchers in Smith and Johnson.

This Saturday Pack 248 meets Pack 155 at Aptos No. 1 at 10 a.m. in another West of Twin Peaks Cub Softball league game.

Benjamin Franklin was responsible for the organization, November 8, 1731, of the first circulating library in America.

WASHINGTON HI BREAKS GOLFERS 21-WIN SKEIN

Jefferson High school's golf team had their 21-match win streak broken Monday as Washington High of San Francisco, defending city champions, turned back the local linksmen, 3 to 0.

The loss was the first for the Indians over a two year period that included 21 wins.

The three-under par 68 by John Geersten and Charles Blackburn's par round of 71 weren't enough to stop the well-balanced Washington team. The contest was held at the Olympic club.

Tuesday the locals racked up a Peninsula Athletic league win over Sequoia, pasting the Redwood City team, 27 to 0. Geersten and Blackburn both posted rounds of 78.

Following the Easter vacation, the local team wil lreturn to action against Menlo-Atherton. Ten of the Daly City high school golfers will journey to the northern California meet during the vacation.

Jefferson High Pool Open During Vacation

Jefferson High schoo'ls swimming pool will be open for public use during the one week Easter vacation at the school which will start Monday, according to Mike Orlich of the athletic department.

The pool will be available every night during the week except Friday from 7 to 9:30 p.m.

Seventh Inning Rally Defeats Pack 248 Hitting Streak

Although registering an astronomic total of 28 hits, Westlake's Pack 248 B softball team took a beating again last Saturday at Sunset field, as Pack 41 rallied in the late innings to win, 17 to 12.

It was the second straight loss for the local Cubs in West of Twin Peaks Cub Softball league play.

Next Sunday Pack 248 takes on Pack 85 in their third league contest, which will be held at Vincente field beginning at noon.

JEFFS DROP 4-2 TILT TO THE MUSTANGS

Indians Cop Season Opener Against Burlingame; Creighton Gets 1 Hitter

Jefferson high school varsity baseball team's debut in Peninsula Athletic league play started off on a cheery note Friday as the Indians skunked Burlingame, 9 to 1, but local enthusiasm was dampened Tuesday of this week as the Jeffs dropped a 4-2 league tilt to Capuchino.

The Mustangs' second baseman Bruce Cunningham broke the Indians' backs Tuesday as he whacked out a two-run triple and scored twice himself to give the Caps the needed margin over Daly City club.

It was a fairly even contest as both clubs got a total of four hits. Don Delbon worked on the mound for Jefferson.

Big First Inning

The Indians collected both their runs and all four hits with two men down in the first inning. Ray Rosa, short stop, singled, John Madden pounded out a 400-foot homer, Al Figone doubled and Wayne McNeal singled.

After that, the Mustang chucker George Avery got stingy and held the local club to six frames of no-hit, no-run ball, retiring the last 14 men in succession.

Lowell Creighton pitched a dazzler for the Indians Friday as the Jefferson nine won their league opener against Burlingame.

One - Hitter

Creighton gave only a lonely single, that coming in the sixth inning, and would have had a shut out except for a second inning error that scored the Blimgums single run.

During the seven innings he struck out five and passed an equal number.

The locals amassed a total of 10 hits. Ron Guisti got only extra bagger, scoring three men in the fifth on a triple. Guisti and Leo Villar hit safely in two times at bat.

Wednesday the Daly City nine dropped a practice game to San Leandro, 4 to 1, as Dan Bertelli's wildness in the second frame gave the San Leandrans their four run total.

Creighton stepped in in the third frame and stopped the opposition cold for the next five innings.

Madden got the only hit, a four bagger, that scored the lone run for the locals.

Today (Friday) the Jeff team meets Half Moon Bay at the latter's diamond at 3:15 p.m. Delbon will probably go on the mound for the Indians against the coastsiders, who have lost all their games to date by large margins.

WESTLAKE LIQUORS will repeat two of his really great SPECIALS this week: "Blue Hills" straight Kentucky bourbon in FULL QUARTS for only $4.49! "Eastern Premium" beer, brewed by Atlas Brewery in Chicago, for only $3.39 a case! (A saving of from one to two dollars—according to the brand you usually purchase!)

That's at WESTLAKE LIQUORS, 309 South Mayfair avenue in Westlake—call PLaza 5-8900!

"No fooling" says VISTA GRANDE MARKET owner Frank Bisordi—"Business is better than ever—even if the date of my "sole ownership" did fall on April 1—or Fool's Day."

TROMBORG PLUMBERS, located at 6512 Mission street, has something new in water heaters. . . . "Day and Night" is the brand name and the newness is their lining of JET GLASS—first used by the Army in Jet planes because of its resistance to intense heat. Fused to steel, this glass will never crack or chip—and each "Day and Night" water heater carries a 10-year-guarantee!

Thirty gallon tank costs $135.75. Twenty gallon tank costs $117.75. Terms are available—and TROMBORG'S service is TOPS!

SHANNON HARDWARE STORE, at 6370 Mission street, is having a Special on LADDERS for only 89c per foot! (Most specials run $1.00 plus, per foot.) Heights are 4 ft., 5 ft. and 6 ft. and the quality is excellent!

Cleverest paper bags we've seen are the BLACK ones, filled with oranges, in KEITHLEY'S MARKET. . . . Red had to order them from an Oregon mill—and they are well worth the trouble!

NOW—"Glamorene" cleaner for COTTON RUGS at the DALY CITY HARDWARE STORE! And, with the purchase of one half gallon of the wonder cleaner (and you know what we mean if you've tried regular Glamorene for wool rugs)—you also receive a free brush for easy applfcation! Total price is just $2.49!

Ray and Mae Charette, owner of the DALY CITY BLIND and SHADE, are strictly "for the birds" these days. Their three budgies, Satin, Glossy and Mac have a huge and open play pen in the back of the shop—and budgie owners would do well to copy Ray's designs for budgie swings, etc!

In case you haven't guessed the reason back of the birds' names—let us tell you at once that the DALY CITY BLIND and SHADE is Daly City's largest distributor of "SPRED"—the miracle, rubber base paint—Spred Satin, etc.—DALY CITY BLIND and SHADE is located at 40 Hillcrest Drive, Daly City.

Hobbyists with an interest in fine cabinet work should take a look-see at the office of R. LEE OTIS, OPTOMETRIST, at 6272 Mission St. Those beautiful wood paneled walls, plus a good portion of the furniture are the handiwork of the doctor himself!

GLEASON'S DRESS SHOP (another Key Credit store) is featuring Exquisite's new BRA-O-MATIC—a strapless, wired and adjustable bra that won't slide up or down—yet adjusts to your dress neckline. In nylon—and only $5.95!

O'BRIEN'S STORE FOR MEN & BOYS (another Key Credit store)—is a perfect place for planning those Easter wardrobes for the men in your family. You'll find the latest styles and the lowest prices at O'BRIEN'S—6201 Mission St.

Full cap, 600-16 exchange tires for only $6.95 at the DALY CITY SUPER SERVICE STATION—3356 San Jose Ave. Other sized tires for equally reasonable prices!

The "Word"—from HILLTOP MARKET'S Mike Bertolucci is: "BEEF IS BEST FOR THIS WEEK!" (But don't sell that wonderful Northern Chinook Salmon short—it's butter boned and so good!)

DUBINS' MEN'S SHOP at 6274 Mission St. is the place to see SLACKS with a real price and quality difference! Men's acetate-rayon gabardine—and they're crease resistant and spot proof—are selling for only $6.95. All wool flannel slacks—in four colors—are only $12.95 at DUBINS'! Good for boys' wear, too!

MIRROR MAGIC

It's new—it's different—it's the rage!

The sleek, selfwinding Eterna-Matic pocketwatch (dial view in mirror above), with interesting transparent back (lower center) that reveals the watch's complex, whirling mechanism, is accelerating the popular back-to-the-pocket-watch trend in men's fashions, according to leading style experts.

Whether it's tucked away in weskit, trouser or jacket pocket, this thin, silver-dollar-sized timepiece, with ballbearing-mounted automatic winder, will wind itself as you walk.

A far cry from the cumbersome "turnip" of yesteryear, this smart, modern pocketwatch for men, acclaimed by horologists as "one of the most brilliant of modern Swiss inventions," is sweeping watches off men's wrists from Paris, France, to Paris, U.S.A.

RECIPES WANTED!

Spoonburger Casserole: a hearty western dish with golden-brown biscuit topping. Recipe on request.

San Francisco . . . "During the next few weeks we want as many interesting casserole and bread recipes as we can get," announces Martha Meade, Sperry Home Service director and sponsor of Martha Meade's Recipe Exchange Club.

"For example, in casseroles we'd like new and different topping or crust ideas like the Spoonburger Casserole shown above.

"Those selected by our Recipe Committee as being of unusual interest will be mailed to all Exchange Club members along with other up-to-the-minute baking and homemaking news.

"Hundreds of homemakers who belong to this popular Club find that collecting and sharing recipes is a wonderful hobby," explains Martha Meade.

CLUB OPEN TO ALL

"Anyone can join! I will gladly send membership blank (and the Spoonburger recipe!) to anyone requesting them. Simply write me at Martha Meade's Recipe Exchange Club, Dept. D, Oakland 6, California.

"Our Club project during March and April," she continues, "will be Baked Desserts. Cobblers! Puddings! Tortes! Shortcakes! If you have a favorite recipe you'd like to share, send it in . . . any time from now on!"

Club membership is growing steadily and now extends throughout the West and as far north as Alaska.

STRENGTH FOR THESE DAYS

from The Bible

For we walk by faith, not by sight.—(II Corinthians 5, 7.)

Unless we walk by faith and are steadfast and strong in it, our prayers can avail us little. Faith means an unquestioning and glad acceptance of God's will, in the firm understanding that it is for the best—for He knows the end as well as the beginning of all things.

"Another trouble with Socialism is that it soon runs out of rich people and has to fall back on folks like you and me."

Ask 18 Questions Before Buying Site for a Home

There are at least 18 points to consider in the purchase of a lot for a new home, according to Small Homes Guide. They are presented below as questions. A "yes" answer favors the site, indicating the value will tend to remain near its present level. A "no" is a mark against it.

1. Is the lot the right size and shape for the house you plan to build?
2. Is it well drained?
3. Is the soil good?
4. Are there shade trees?
5. Will the site be adequate without grading or filling?
6. Are these services available: water, sewers, gas, electricity, telephone, paved street, sidewalks, street lighting, fire and police protection, garbage removal?
7. Is the site close to transportation, schools, churches, shopping?
8. Is it distant from industrial or commercial developments, railroads, run-down areas, dumps and marshes or other health hazards?
9. Will zoning regulations permit the type of home you plan and prohibit undesirable building in the area?
10. Are all assessments against the land paid?
11. Are all taxes paid?
12. Will the owner give a merchantable title?
13. Will the owner furnish a written statement that there are no liens against the property.
14. Are the boundaries clearly marked?
15. Are taxes in the area reasonable?
16. Is the site close enough to your job so that transportation costs will not be unduly high?
17. Will a financial institution appraise the land at a figure that is in line with the purchase price?
18. Is it the block, neighborhood and community in which you would like to live for many years to come?

LAW IN ACTION

ADULT MAKES CONTRACTS WITH MINORS AT HIS PERIL

Seventeen year old Jimmy and his friends planned to give a dance with Jimmy to hire an orchestra. The Zorch Orchestra agreed to play.

But, the day before the dance, Jimmy called and cancelled the appointment. The orchestra had turned down other engagements for this affair, so it tried to collect its fee from the boy.

The orchestra could not. An unmarried minor has the right, until 21 years of age, to disaffirm a contract he has entered into. There is only one exception: He is bound by the law to carry out his contracts for "necessities"—those things he needs for his physical well-being at the time they are supplied to him. For example, food or clothing may be necessities.

In this sense, the orchestra was not a necessity. Jimmy had the legal right to disaffirm his contract. This right to disaffirm a contract goes on for a reasonable time after the minor comes of age.

The right to disaffirm belongs only to the minor and not to the adult with whom the minor makes the contract. The contract is not void, but voidable by the minor. So an adult enters into a contract with a minor at his own risk. If the minor has received property as a result of the contract and still has it in his control, he must return it if he wishes to disaffirm. This does **not** hold true if the minor was less than 18 years old when the "contract" was made.

When a woman marries at the age of 18, she is said to be "emancipated". Therefore, she cannot disaffirm her contracts. But if she marries before the age of 18, she is not "emancipated" until she becomes 18 and may disaffirm them.

For reasons which the legislature has not disclosed, a man who marries remains a minor until he is 21 years old. His contracts are no more binding on him than if he were single.

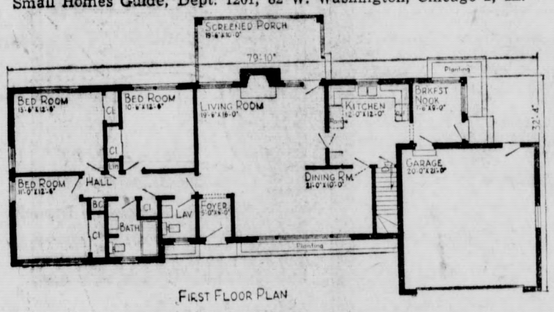
Comfort, Convenience of Small Homes Guide Cover House Has Been Proved

© Small Homes Guide

Proof that it offers comfort and convenience caused this home planned by Architect Arnold Schaffner to be chosen as the house featured on the front cover of the current edition of Small Homes Guide.

An earlier version of the plan appeared in the magazine two years ago. One house was built from the plan by builders Eichholz & Eichholz of Sedalia, Mo. Mr. and Mrs. C. H. Joy and their daughter live in it—happily, for they find its room arrangement very pleasant, particularly the huge living-dining room and the U-shaped kitchen. They like the simple, but striking lines of the rambling exterior, too, and the extensive planting areas.

The total area of the three-bedroom home is 1,558 sq. ft. Information on blueprints and their cost may be obtained by writing to Small Homes Guide, Dept. 1201, 82 W. Washington, Chicago 2, Ill.



FIRST FLOOR PLAN

HOME-HOW-TO'S
Space-Wise Planning

SKILLFUL, SPACE-WISE PLANNING gives a marvelous illusion of spaciousness in this combined living-and-dining room. Each section has its own identity—but there's still a feeling of unity that *visually* expands the room. Three well-carried out ideas create the effect: First, the ingenious divider—simply, nylon rope wound around 2' x 4's. Second, drapes and chair coverings in different sized patterns of *one* print giving an impression of unity in a novel way. Third, the lavish use of ever increasingly popular cotton carpeting in two different textures—Masland's looped pile "Calypso" in the dinette and a plain cut pile cotton "New Spindrift" in the main section. The contrasting textures give each section an identity—and the *one* color, in this case, a warm sun yellow, keys the color theme for the whole room. (The range of colors, by the way, is one of the biggest attractions to cotton carpeting!) Simple devices like these do wonders in creating an effect of spaciousness. They require no extra expense—and just a little extra planning.

SCIENCE and your Health

THE X-RAY

By Science Features

The X-ray, a comparatively recent invention, is now one of the most widely used medical tools, both for diagnosing illnesses and for treatment. Discovered almost accidentally by a German physicist, Wilhelm Konrad von Roentgen, in 1895, the X-ray became almost immediately accepted as a tremendous aid to the doctor. Photographs, showing the inside of the body, allowed the doctor to see the exact location and cause of the disturbance under consideration. Prior to that, it was a hit-or-miss proposition, with the doctor probing and guessing.

An X-ray is the radiation of a certain very short ray of light. When Roentgen discovered these odd rays, he didn't know exactly what they were, so he labelled them "X" rays.

These rays are also employed to treat various diseases. A two million-volt machine has shown promise in the treatment of cancer and the ray has helped to reduce the "blue baby" menace, to name two of the newer uses that have been developed.

There are many different types of machines and methods that have been devised for special purposes. The dentist uses the machine to spot tooth decay; by using certain dyes, a specialist can see what is happening in the body's vital organs and most doctors have a fluoroscope in their office to view the living body.

Roentgen never made anything out of his discovery and died of cancer when he was 78 years old. But, as hundreds of experts continue to work on his principle and devise more effective aids for the doctor, the rest of the world benefits from his invention.

How to Use a Wrench

THE National Safety Council offers the following instructions for the safe and correct use of wrenches:

1. Use wrenches that are the right type and size for the job. Never use a piece of pipe on the handle to get more leverage.

2. Use only wrenches having jaws in good condition; keep pipe wrench jaws sharp and clean.
3. Never use a shim to make the wrong size wrench fit the nut.
4. Do not use a wrench as a hammer. Such use weakens it.
5. Always place the wrench on the nut so that the pull on the handle tends to force the jaws further onto the nut.
6. Pulling on a wrench is safer than pushing. If you must push, keep your knuckles in the clear.
7. Avoid falls; see that your footing is good before you pull.

ACCIDENT ANDY

Nuestra de la Senora de la Soledad Mission, in Monterey county, was founded October 9, 1791, the 13th of the Franciscan Missions in Upper California.

ALLIES ON GUARD—Military Police of three North Atlantic Treaty Organization nations join forces to guard Supreme Headquarters Allied Powers, near Paris. Seated in the jeep are Corporal John B. Petersman, United States Army (at wheel), Marechal Des Logis-Chef Andrew Lhuillier of the French Escadron Prevotel (at the Corporal's right), and Lance Corporal Donald Fram (rear), a member of Great Britain's Royal Military Police.

Is Old Man Trouble troubling you? It usually takes money to unload him! The dollars you let trickle through your fingers never come back to help. The dollars you put into United States Savings Bonds not only come back themselves—they bring other dollars with them to pull Old Man Trouble off your back.

In under ten years, four dollars will return for every three you invest. If you hold the Bonds another ten years, you will have a return of 80% more than you invested. Begin getting out from under financial trouble today — with United States Savings Bonds.

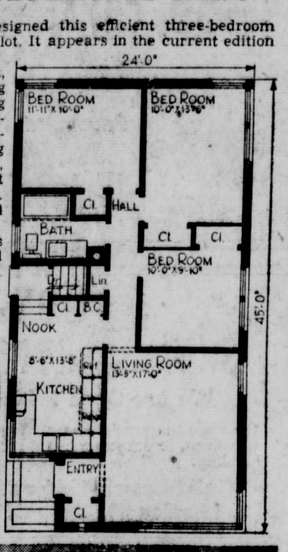
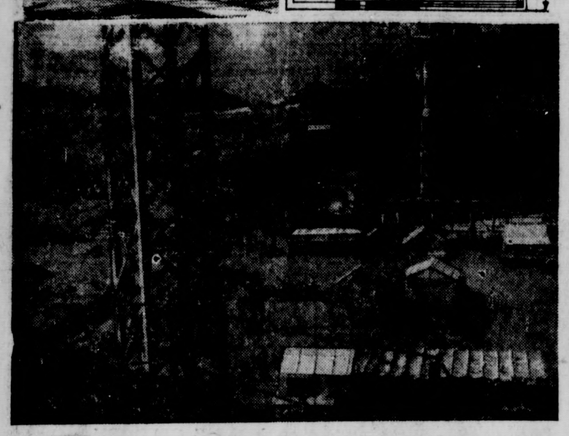
House Plan for Narrow Lot from Small Homes Guide

Architect Erwin H. James designed this efficient three-bedroom home specifically for the narrow lot. It appears in the current edition of Small Homes Guide.

The kitchen is at the front, with a corner window overlooking the front entrance. The living room, too, is brightened by generous use of windows at one corner. The architect suggests using a folding door in the living room, allowing it to be completely shut off from the rest of the house. Total area of the house is 1,044 sq. ft.

For information on blueprints and their cost, write to Small Homes Guide, Dept. 1336, 62 W. Washington St., Chicago 2, Ill.





WHERE ONCE THE QUEEN OF SHEBA RULED—Now a $126,000,000 oil refinery is rising from the Arabian desert near Aden at the southern entrance to the Red Sea. The new refinery was begun by Anglo-Iranian Oil Company after the shutdown of its huge Abadan plant in Iran in mid-1951. When completed late in 1954 Aden will be able to process 120,000 barrels of crude oil daily, making it the largest new refinery under construction in the world today. The refinery's principal output —marine fuel oils—has a big market right at its doorstep. Located at the "cross-roads" of the great trade route from Europe to India and the Far East, Aden is one of the busiest refueling ports in the world. INS

SAN FRANCISCO—Experimental cars and stage entertainment are among the highlights of the General Motors Motorama of 1954, open to the public admission free in San Francisco's Civic Auditorium from Saturday, March 27 through Sunday, April 4. In the foreground of the scene above is the XP-21 Firebird, America's first gas turbine automobile. The giant show also features 10 other experimental "dream cars" in addition to GM's 1954 production automobiles and hundreds of other exhibits.

The patio pictured below, from Small Homes Guide, is a charming extra that will add immeasurably to the appearance of any home. The drawing at right gives adequate directions for the home craftsman. The lamp post should be about seven feet high.

Fence posts should be creosoted below grade as a protection against moisture and should be set about 18 inches deep. A pavement of used bricks, laid in a basket-weave pattern on tamped sand or cinders, is ideal for this front-of-the-house patio area.

On Friday and Saturday, April 9 & 10
DALY CITY'S LEADING STORES ARE DECLARING AN EXTRA BONUS FOR YOU!

As an appreciation of past patronage, the leading merchants of Daly City are declaring an extra bonus for their customers on Friday and Saturday, April 9 and 10. Double the regular amount of valuable Orange Thrifty Shopper Stamps will be given on all purchases.

In addition to the savings on the special values offered by these leading merchants on these two big value days, shoppers will receive savings of more than four per cent on the stamps alone.

For you who have not saved valuable Orange Thrifty Shopper Trading Stamps in the past, here is a brief outline of the advantages of saving these stamps. One stamp is given with each ten-cent purchase.

Stamp-filled books are redeemable for three dollars in any merchandise you select from any store that gives these stamps. This effects a saving of more than two per cent on everything you buy. In this way, you can patronize your local merchant and save money, too.

Thrifty homemakers in one hundred and thirty California communities find the saving of Orange Thrifty Shopper Stamps very beneficial in helping them keep down their cost of living. Why don't you take this opportunity to start keeping down your cost of living by saving valuable Orange Stamps? Remember, on these two big days you'll receive two valuable Orange Stamps with each ten-cent purchase instead of one.

IT'S IN THE BAG!

For the feminine sophisticate with an affinity for Parisian modes, the chic, selfwinding Eterna-Matic pocketwatch, worn chained to a fashionable, suede "bucket bag," highlights the season's fashions in timepieces.

Shown recently at Madame Vincent Auriol's maison de haute couture in Paris, this intriguing pocketwatch, with ballbearing-mounted automatic winder, is modeled by attractive Marie Helene, daughter of former French television director, G. Arnault.

The Eterna-Matic winds as you walk, and has a unique, transparent back that dramatizes the watch's whirling mechanism. Smart women are wearing it chained to belts, handbags and lapels; casually tucked away in skirt or weskit pockets; or suspended on huge chunky chains around the neck. It is the last word in elegance, dash and style.
